Dear Student:

Welcome to the Penn Medicine Clinical Simulation Center. You are currently enrolled in the following Neonatal Resuscitation Program (NRP) course at Penn Medicine at Rittenhouse:

Course: Neonatal Resuscitation Program (NRP) Course. This course can be taken with or without CPR (offered the same day from noon to 4 pm). The Neonatal Resuscitation Program is an educational program that introduces the concepts and basic skills of neonatal resuscitation. This course is designed for both initial and recertification.

Date: Various

Time: 8 am to noon

Location: Penn Medicine Clinical Simulation Center
Penn Medicine at Rittenhouse
1800 Lombard Street, 2nd Floor
Philadelphia, PA 19146

IMPORTANT INFORMATION ABOUT NEW COURSE FORMAT

All students MUST pass the NRP Online Exam PRIOR to attending an in-person, four hour simulation-based practice session. The NRP Online Examination, 6th Edition assesses knowledge of the causes, prevention, and management of mild to severe neonatal asphyxia. After studying the NRP textbook, learners take the online examination via HealthStream. Upon successful completion of the online examination, learners will print the verification of completion and present it to their NRP instructor for skills training, simulation, and debriefing. This MUST be completed PRIOR to attending the in person simulation portion of the course. Please note that the online exam cannot be completed more than 30 days prior to class and once started, it must be completed within 14 days.

Please use link: <http://www2.aap.org/nrp/> to access the exam and course materials. There are separate fees for the online exam (\$23.50) and Neonatal Resuscitation (NRP) Textbook - 6th Edition (\$65.95) each purchased directly from AAP via their website.

Parking:

Parking is \$23.00 per day for non-UPHS employees or \$10.50 per week day with Penn ID at 1700 South Street Parking Garage (entrance to the left/east of 1700 South Street building entrance).
