

A Simulation Facilitators Course:

Accredited for physicians, nurses
and pharmacists.

August 12th-14th, 2024

A Simulation Facilitators Course:

Date: August 12 – 14, 2024

Time: 8am –5:00pm

Location: Day 1-3 are held in-person at:
University of Pennsylvania, School of Nursing
418 Curie Blvd, Philadelphia PA, 19104

This 3-day collaborative simulation facilitators course is an interactive problem-solving workshop designed to allow you to work with simulation experts to meet your educational objectives. Keynote speakers will address national trends followed by interactive sessions where participants will engage in hands-on learning, acquire, and practice new skills and work together as a team.

Targeted Audience: The workshop is designed for physicians, nurses, pharmacists, and other members of the healthcare team at the novice to advanced beginner levels who are interested in using simulation in healthcare education.

Learning Objectives

Upon completion of the course, learners should be able to:

- Apply the fundamentals and theories in simulation-based education in their practice
- Create a comprehensive simulation exercise utilizing the step-by-step approach in simulation design
- Practice conversation strategies with members of interprofessional teams to promote critical thinking and reasoning in debriefing exercises
- Demonstrate effective debriefing using reflective learning and integration of knowledge to close performance gaps
- Evaluate effectiveness of your simulation design on meeting learning outcomes on multiple levels

COURSE CONTENT

- Basic principles of simulation
 - Simulation terminology
 - Simulation design
 - Developing learning objectives and outcome measures
 - Determining which educational strategies to employ
 - Matching simulation modalities and technologies to learning objectives
 - The art of scenario development
 - Introduction to simulation in practice
 - Setting the stage for your scenario
 - Incorporating debriefing into your scenario
 - Debriefing disruptive behaviors
 - Debriefing the debriefer
 - Interactive sessions including:
 - Developing a scenario
 - Running a scenario
 - Participating in a scenario
 - Debriefing a scenario
- 

Accreditation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Penn Medicine designates this live activity for a maximum of **22.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity awards **22.25** NCPD hours.

Pharmacists: This practice-based activity is approved for **22.25** ACPE contact hours of continuing pharmacy education credit. JA0000324-0000-24-024-L04-P.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credits™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **22.25** Category 1 credits for completing this activity.
